EU Declaration of Conformity

In accordance with the EU Packaging Regulation (PPWR) and applicable environmental regulations, as well as to the best of our current knowledge and the information provided by our suppliers, we confirm that all packaging and packaging materials used by us, placed on the market or supplied with the products comply with the essential requirements of the EU Packaging Regulation (PPWR) and the harmonised standards and legal provisions listed below.

Consolidated Materials and Compliance Matrix

Compliance is ensured through systematic monitoring of the supply chain and the provision of legally binding declarations from upstream suppliers.

Material Group / Components	Criteria Assessed & Legal Compliance
Product packaging, cardboard packaging and primary materials	• **Art. 5 Abs. 4 PPWR:** Compliance with heavy metal limit values (total lead, cadmium, mercury and hexavalent chromium < 100 mg/kg). • **Art. 5 Abs. 1 PPWR:** Compliance with the requirement to minimise the use of substances of concern.
Logistics packaging materials (stretch film, strapping, load carriers, adhesive tape)	• **Art. 3 Abs. 1 Nr. 13 PPWR**: Fulfilment and assurance of all obligations for economic operators and suppliers. • **Heavy metal testing:** Compliance with the limit values specified in Art. 5. • **REACH & SVHC:** Full compliance with the ECHA Candidate List.
Primary product packaging and accessories	• **PPWR-Recyclingfähigkeit:** Material recyclability assured. • **Rezyklat-Anteil:** High proportion of recycled material used. • **REACH-Konformität:** Compliance regarding chemicals. • **POP-Verordnung (EU) 2019/1021:** Compliance for foams, paints and adhesives.
